The check boxes near each flat & plant are for your convenience.

We suggest you make a note of how many flats you have ordered for quick reference as you design your garden.

Detach the Order Form provided on the right and use it to place your order.

See [wildonestwincities.org](http://wildonestwincities.org) for more detailed information on plants.

PLEASE NOTE: Species may be substituted if there is a crop failure.

All flat and plant reservations will be accepted in the order they are received.
