Description of Gardens

Please provide a brief written description and a few photos of the gardens or natural area. Include any fun or historic stories. Don't be shy! This description helps Wild Ones describe your site, attracting guests and delivering on expectations. You will also be asked for a photo and bio of tour guide or host.

Email completed form to info@wildonestwincities.org or drop off in person at chapter program.

Wild Ones Tour Coordinator

A volunteer from Wild Ones will contact you to gather more information. This will include a site visit and conversation with property owner or tour guide about additional logistics.
